The image is a comic panel. At the top, a character's head and shoulders are visible, looking down with a confused expression. Below the character, a large, white, jagged speech bubble contains the text 'WHAT IS THIS...?!'. To the right of this bubble, another smaller, empty jagged speech bubble is present. Below the first bubble, a larger, white, jagged speech bubble contains the text 'THIS MAKES NO SENSE!!'. At the bottom of the panel, a complex mechanical structure is shown, featuring several wooden platforms or desks supported by tall, thin metal poles. The structure appears to be a part of a larger machine or a set of scaffolding. The background is a plain, light blue sky.

THIS MAKES  
NO SENSE!!

NO WAY!!!
